MAYOR DUNN DEFEATED.

A few days ago a Willimantle wom-an brought into the office of the town clerk a large assortment of old ballots and presented them to Clerk Fenton. and presented them to Clerk Fenton. It was among these that Mr. Fenton discovered that the "Peerless Leader" of Windham democracy had once been defeated. It was in the year 1881. At that time "Danny" Dunn was candidate for two positions that of ballik and collector, and he came before the people of the town of Windham for their support, not as a democrat nor as a republican, but as a member of the prohibition party. He was defeated.

That was thirty years ago. Since then things have been more favorable to the present mayor of the city of Willimantic. From a candidate on a hopeless ticket he has become the leader of Windham's democratic forces and four times elected as that party's choice for the lower branch of the general assembly. Aside from that he has seen his sucre moments in looking our spent his spare moments in looking out for the affairs of the city, being at the present time on his third consecutive term as mayor.

Last Autumn 76 of them went on an excursion and after returning home sent us a testimonial that is very highly esteemed. Many of these famous firms have been selling our products for 12 to 15 years, but have not heretofore inspected the pure food works.

Greeting: We, the undersigned Wholesale Grocers of New England, desire to express our thanks and appreciation for the courtesy, hospitalities and entertainment offered to us during our recent brief visit to Battle Creek.

We were more than pleased and gratified at the methods, cleanliness and extent of your works, in the production of the food products Postum Cereal, Post Toasties and Grape-Nuts. We need not speak of their worldwide reputation and health-giving qualities, for that is already established by their popularity.
